Class of 2016,

You, my friends, have seen a lot over your four years here at Somerset Berkley Regional High School. Yet, there has been one constant, and that is change. Some people fear change; they see the unknown as the "monster under the bed" just waiting for us to fall asleep. That is a child's tale and you are no longer children. You have grown, learned, experienced and succeeded in many aspects of your life. The unknown is a friend lending you a hand to try something new that will make you stronger individuals. Embrace change, because as long as you are, you are creating life for yourself and your future.

The Class of 2016 has shown that heart is the most important attribute a group can have. In a society where the "selfie" is held in high regard as a Pulitzer Prize, you have reached out to others and helped make their lives a little better.

The expression "Be the change you want to see," is evident throughout this class. This is your legacy that we hold dear and hope that it is passed on for generations to come. The staff and community are proud of you, and look forward to the wonderful, creative ways that you will impact the world. We are honored to be a small part of what you have become.

Within these pages are reminders of why we are so proud. While we have not been perfect, those imperfections have challenged us to grow and become better. I want you to look through these pages and smile; your smiles will return years from now when you open the book again. We wish you the best in the future; You will always be a Blue Raider.

I'm proud of you and best wishes,

CLASS PRESIDENT'S LETTER

As Abraham Lincoln once said, "You cannot escape the responsibility of tomorrow by evading it today." It will be our generation's responsibility to fix the problems that are present in today's world. High school has equipped us with the tools we need to make a difference. Will you make a change? Go on. Make a difference in the world—leave your footprint.

Let us not forget the fun we had and the memories we made, everything from Finding Nemo to Ferris Bueller's Day Off, jumping into the Taunton River or eating a stick of butter for the Senior Scavenger Hunt, or even having Raiderpalooza in the parking lot before the football game. These past four years have been a blast and have gone by so quickly, but we most definitely have had our share of fun.

Many of us are parting ways with kids we have been with for the past 13 or 14 years, since preschool, but don't forget where you started. These four years are over, but we are onto the next four, and the next four, and the next four. Now, go make the world a better place.

Your Class President,

John C. Myron

Yearbook Editors

Dear Class of 2016,

After 4 years of high school we have finally made it to the end, where we will now move on to the next phase in our lives, many of us going our separate ways. Some are staying local, some are going away, and others will be fighting for our country. Whatever your journey, embrace it, celebrate and take it on with full force.

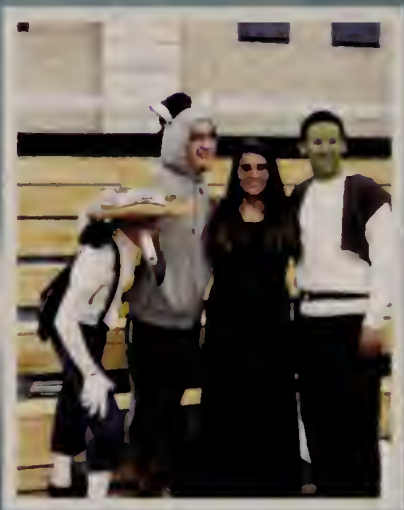

Thank you to everyone who made this yearbook possible, and a big thank you to Mrs. Gosson and Mrs. Hoyle who work so hard every year to bring the book into existence.

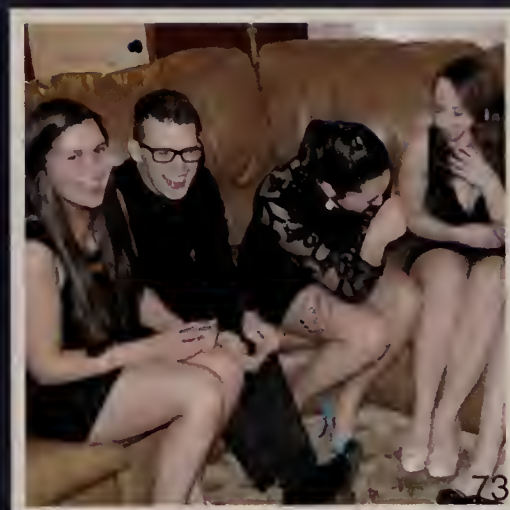

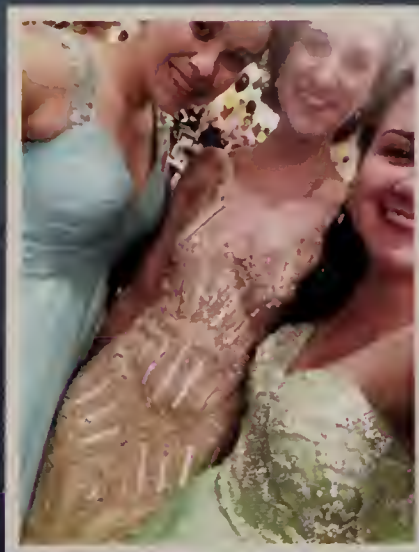

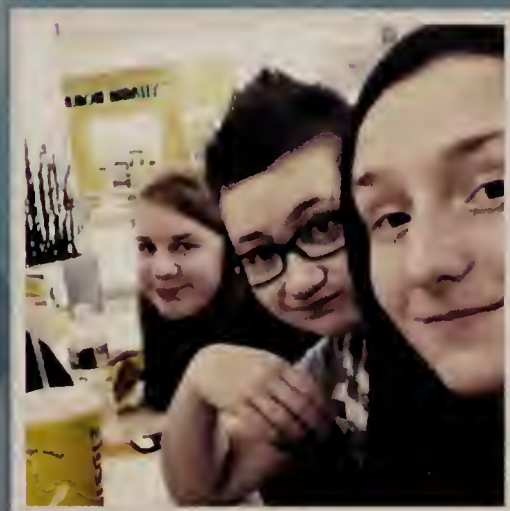

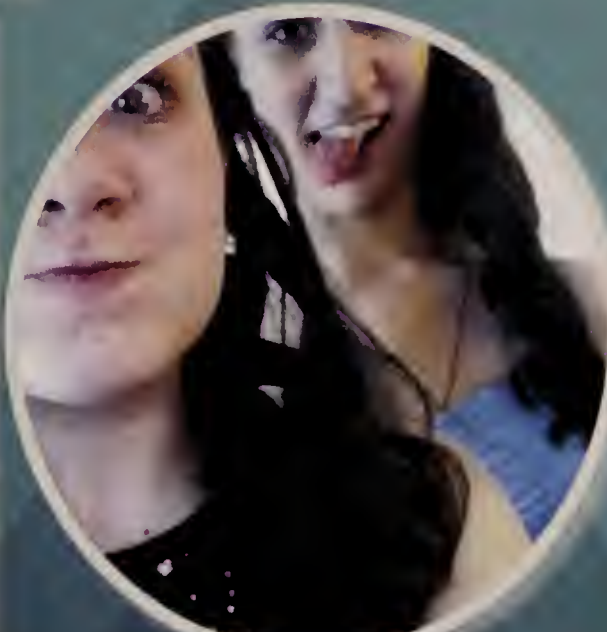

We hope you enjoy looking back on all the memories you've created, as much as we enjoyed bringing them to life.

Good luck to you all in your future endeavors...

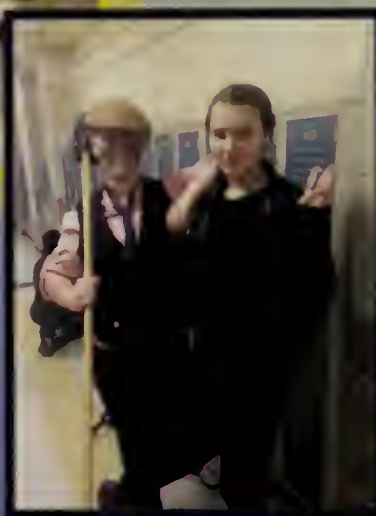

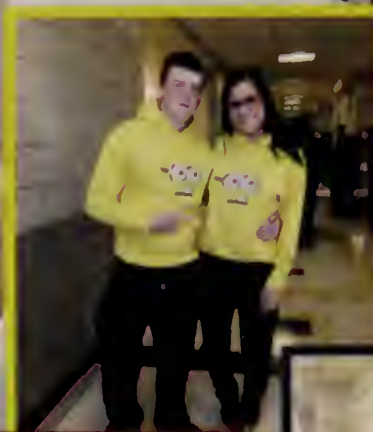

Your Yearbook Editors,
Aubrey Moniz, Bianca Jensen & Chloe DeFaria
